MESSENGER MUSIC ANNOUNCES A NEW SINGLE FROM BRIAN BURR, 'HOW COULD YOU'

The cry everyone who has loved and lost can relate to

(October 28th, 2021 – Los Angeles, CA) American born, Copenhagen based singer-songwriter Brian Burr announces his next release, bringing a new adult pop sound to fans with his new single, *'How Could You'*. Burr's first three comeback singles has already received airplay in both Europe and U.S and has led to more than 44,000 new 'followers' on Facebook in only 8 months.

"After a devastating breakup with a loved one, we are compelled. So, we ask, *'how could you?'* Condemningly, we also wonder…*'how could I?* We loath the thought of facing the coming morning" says Brian Brian. This is a place everyone who has loved and lost can relate to.

This is the 4th single from Burr's first solo album, but he is no newcomer to the music charts. Once, he was the lead singer of the promising band Sensory System. But, something changed his life trajectory: "After a European tour, I came home to find that my daughter didn't recognize me! I was shocked. I felt I really didn't have much of a choice."

Producer and pianist Claus Kilpatrick helped bring out Brian Burr's passionate style on his anticipated 10-track album titled, '*Even Children Grow Older'*. The album contains memorable lyrics, reflective references and a narrative to the counterculture generation. We are currently releasing diverse singles from the album throughout 2021, on Messenger Music.

Despite past performances at several notable festivals like Roskilde Festival, two well-received albums, and a fan following in various countries under his belt with his previous band, Burr states that *"Clearly, it's quite a challenge to pursue a comeback after all these years. But I'm really excited about the overwhelming support I've received from my former and new fans."*
