

Messenger Music announces a new single from BRIAN BURR, 'HIGHER GROUND'

A message of hope....

(Oct. 10th, 2022 – Los Angeles, CA) American born, Copenhagen based singer-songwriter Brian Burr announces his next release, bringing a new adult pop sound to fans with his new single, 'HIGHER GROUND'. Burr's first 7 comeback singles have already received airplay in Europe, the U.S and South America. This led to more than 77,000 'followers' on Facebook in 17 months.

'HIGHER GROUND' is a song should relate working people everywhere. It's about a man who worked in a train yard for decades, like his father before him. Suddenly they shut down. He is suddenly left jobless. What do you do? Where do you turn? The song is an ode to the people who work day in day out, keeping our industry and infrastructure running, and who suddenly find there is little appreciation. They feel left without anything in a cruel world" Brian Burr explains

This 7th single is also from Burr's first solo album. But he is no newcomer to the music charts. Once, he was the lead singer of the well received rock band 'Sensory System.' But something changed his life trajectory: "After a European tour, I came home to find that my daughter didn't recognize me anymore! I was simply shocked. I felt I really didn't have much of a choice."

Producer and pianist Claus Kilpatrick helped bring out Brian Burr's passionate style on his anticipated 10-track album titled, 'Even Children Grow Older'.

Brian states, "Clearly, it's a huge challenge to pursue a comeback after all these years. But I'm so excited about the overwhelming support I've received from new fans. I'm doing this for them"
