

Messenger Music announces a new single from BRIAN BURR, 'I BELIEVE (It's Somewhere)'

A message of hope....

(Feb. 24th, 2023 – Los Angeles, CA) American born, Copenhagen based singer-songwriter Brian Burr announces his next release, bringing a new adult pop sound to fans with his new single, '*I BELIEVE (It's Somewhere)*'. Burr's first 8 comeback singles have already received airplay in Europe, the U.S and South America. This led to more than 92,000 'followers' on Facebook and 400.000 streams in YouTube and Spotify in only 24 months.

'*I BELIEVE (It's Somewhere)*' is released on Feb 24th, - exactly one year after Russia invaded the Ukraine. It's a song about a boy soldier, and the horrors of war he experiences. The song is an ode to people celebrating and respecting differences, and not seeking war because of them. They song includes a message of hope for us all, regardless of country, color or religion.

This 8th single is also from Burr's first solo album. But, he is no newcomer to the music charts. Once, he was the lead singer of the well-received rock band '*Sensory System*.' But something changed his life trajectory: "After a European tour, I came home to find that my daughter didn't recognize me anymore! I was simply shocked. I felt I really didn't have much of a choice."

Producer and pianist Claus Kilpatrick helped bring out Brian Burr's passionate style on his anticipated 10-track album titled, '*Even Children Grow Older*'.

Brian states, "*Clearly, it's a huge challenge to pursue a comeback after all these years. But I'm so excited about the overwhelming support I've received from new fans. I'm doing this for them*"
