Hot Summer Rock 'n Roll!!

July 10th, 2023 – Los Angeles, CA) American born, Copenhagen based singer-songwriter Brian Burr announces his next release, bringing a new adult pop sound to fans with his new single, *'Broadway Bitch'*. Burr's first 9 comeback singles have already received airplay in Europe, the U.S and South America. This led to more than 130,000 'followers' on Facebook and 600.000 streams in YouTube and Spotify in only 26 months.

'Broadway Bitch' is released on July 10th, the day before Brian's birthday. The song is an ode to summer, hot, sassy and a little naughty. The song includes no message whatsoever, just the hope that everyone who hears it enjoys its hot rock textures and spicy lyrics.

This 9th single is also from Burr's first solo album, *'Even Children Grow Older'*. But, he is no newcomer to the music charts. Once, Brian was the lead singer of the well-received rock band *'Sensory System.'* But something changed his life trajectory: "After a European tour, I came home to find that my daughter didn't recognize me anymore! I was simply shocked. I felt I really didn't have much of a choice."

Producer and pianist Claus Kilpatrick helped bring out Brian Burr's passionate style on this single along with his highly anticipated 10-track album titled,

Brian states, *"Clearly, it's a huge challenge to pursue a comeback after all these years. But, I'm so excited about the overwhelming support I've received from new fans. I'm doing this for them"*
