## A message of romance....

(Sept 27th, 2023 – Los Angeles, CA) American born, Copenhagen based singer-songwriter Brian Burr announces his next release, bringing a new adult pop sound to fans with his new single, *'WHAT LUCK'*. Burr's comeback singles have already received airplay in Europe, the U.S South America, and S. Africa. This has led to 150.000+ 'followers' on Facebook and 800.000+ streams in YouTube and Spotify in only 30 months.

*'WHAT LUCK'* is a song is about that special moment when we meet someone new, by accident, and realize this person will make some lasting changes and impressions on us forever. It's an ode to chance, and romance! The song includes a message of hope, fun, and romance for us all!

Brian Burr is no newcomer to the music charts. Once, he was the lead singer of the well-received rock band *'Sensory System.'* But something changed his life trajectory: "After a European tour, I came home to find that my daughter didn't recognize me anymore! "I was simply shocked. I felt I really didn't have much of a choice. I had to leave music, to assure a relationship to my child!"

Producer and pianist Lasse Illington produced the single, and expresses Brian Burr's passionate style, on his anticipated 10-track album titled, *'Even Children Grow Older'*.

Brian states, *"Clearly, it's a huge challenge to pursue a comeback after all these years. But I'm so excited about the overwhelming support I've received from new fans. I'm doing this for them"*
